Recruitment invitation

In-person interviews · Candidate engagement and acknowledgment

Thank you for your interest in career opportunities with Velan Inc. Prospective candidates are invited to an in-person discussion to explore professional experience, career interests and potential opportunities with the company. Individual appointment details are communicated separately through verified recruitment correspondence.

A purposeful, two-way discussion

The interview supports a considered exchange about professional achievements, technical or functional capabilities and potential alignment with available opportunities. Candidates are encouraged to ask informed questions about the work, relevant expectations and the next stages of the recruitment process.

MEETING FORMAT	In-person discussion; any assessment or preparation is advised in advance.
ARRANGEMENTS	Schedule, venue and contact details are confirmed individually through verified recruitment correspondence.
RESPONSE	Confirm interest, request clarification or rescheduling, or withdraw.

Participation and acknowledgment

Review the preparation guidance on page 2 and complete the response on page 3. If no appointment is confirmed, select the clarification option rather than confirming attendance. Obtain written confirmation of the venue, schedule and any changes before making travel arrangements.

The handbook acknowledgment on page 4 is separate from attendance confirmation. Record only materials actually received. Direct document, accessibility and scheduling questions to the verified recruitment contact.

This invitation is not an employment offer, a guarantee of selection or appointment confirmation on its own. We appreciate the time candidates invest and look forward to a thoughtful exchange.

YOUR QUESTIONS	Consider the responsibilities, team structure, work arrangements and selection process.
ASSESSMENT / TOUR	Any test, practical exercise, site tour or additional preparation must be confirmed by the recruiter in advance.
ARRIVAL DETAILS	Reception, parking, visitor identification and any site-specific requirements will be provided separately, if applicable.

03 Accessibility and scheduling

If you need an accessibility or communication adjustment, describe the assistance required or contact the recruiter privately. Medical details are not needed on this form. If you cannot attend, provide alternative dates and times with your time zone.

04 Verify and return safely
